4. Challenging arbitrator appointments

This half day workshop will provide practical information on reasons for challenging arbitrator appointments and how to handle challenges, with reference to the relevant practice at HKIAC and in Hong Kong-seated arbitration. The participants will have an opportunity to exchange views with the trainers on real-life challenge scenarios.

Note:

1. The workshops will be conducted in English.
2. There is a registration fee per workshop. Discounts are available for HKIAC User's Council members.
3. Places are limited. Please register your interest here: <http://hkiac.org/content/registration-shanghai>.
4. Participants are responsible for making their own travel and accommodation arrangements.
5. A non-refundable registration fee will be due 14 days prior to the workshop date.
6. Participants who complete all 4 workshops will receive a **Certificate of Completion** and a one year membership to the HKIAC User's Council the following year.
